Gillett Square Total Play Days

Every Saturday in June; 5th 12th 19th 26th ; 1-4pm

Free events for the whole community

This is the 4th year of the popular Gillett Square Games Days and we have evolved into Total Play Days with the addition of our brand new 'Snug' play equipment for the younger local community. On Total Play Days everyone is welcome to come along and play: Board Games from around the world, Giant Chess and Ping Pong. Don't worry if you don't know how to play – there will be experts on site to teach you the basics, share their tips or even challenge you!

Come along with family and friends and enjoy playing together. You can also get great food and drinks from the Vortex Downstairs café.

Featured activities:

GIANT CHESS AND MULTIPLE CHESS GAMES

Come along and play chess with other people. There will also be a chess expert to help you with tips or find you someone to play.

BOARD GAMES

Universal Board games will host game playing of new and traditional games from around the world throughout the day. Games for all ages and abilities: Carom, Backgammon, magnetic football, Kamisado, Oware and many more!

PING PONG

Join in the ever popular ping pong games, available to play all day.

OUTDOOR PLAY

The Total Play days will also launch the arrival of the innovative 'Snug' play equipment in Gillett Square. The 'Snug' kit comprises modular elements that children can move around and join together to create their own exciting play-scapes. Acquired for Gillett Square by Hackney Council and the LDA.

For further information about this event please contact Vicky or Mem on 0208 806 4654 or info@universalboardgames.co.uk
